

ONE FOR OUR COMMUNITY RECOMMENDATION FORM

REV. 02/2015

EPI is helping local non-profit groups add a touch of color to their work through its printer donation program. The company's goal is to donate several printers per year to area non-profits. To date, EPI has donated hundreds of printers to various institutions and agencies in Washington County and the surrounding Portland metro area.

A One For Our Community Printer donation consists of a new [Epson WorkForce All-In-One Printer](#) and two additional sets of ink cartridges. Organizations that receive gift printers through this program may reapply once every two years.
